

Jie CHEN

Email: chen@geologie.ens.fr / chenjie.geo@outlook.com

Homepage: <https://chenjie.netlify.app/>

ResearchGate: <https://www.researchgate.net/profile/Jie-Chen-295>

Professional experience

- 2024.06-now Postdoc Researcher, École Normale Supérieure (ENS), Université PSL
Topic: ANR project MUSH-OCEAN
Supervisor: Jean-Arthur Olive
- 2022.08-2024.05 Postdoc Researcher, Institut de Physique du Globe de Paris (IPGP),
Université Paris Cité
Topic: Numerical thermal modelling of the global mid-ocean ridge
Supervisor: Mathilde Cannat and Jean-Arthur Olive
- 2022.01-2022.07 Research Assistant, Second Institute of Oceanography, MNR
Topic: Microseismicity at the Gakkel Ridge (JASMIInE cruise)
Collaborator: Jiabiao Li and Tao Zhang

Education

- 2018.09-2021.12 Ph.D, Marine geophysics, IPGP, Université Paris Cité
Thesis title: The impact of melt supply on fault distribution, volcanism,
and the thermal regime at slow spreading ridges
(<https://www.theses.fr/2021UNIP7226>)
Supervisor: Mathilde Cannat. Co-supervisors: Wayne C. Crawford and
Jean-Arthur Olive
- 2015.07-2018.08 M. E, Marine geophysics, Second Institute of Oceanography, MNR
Thesis title: Segmentation and melt supply along the ultraslow spreading
Southwest Indian Ridge 46-53°E.
Supervisor: Chunhui Tao. Co-supervisors: Tao Zhang and Huaiming Li
- 2011.08-2015.06 B. E, College of Marine Geosciences, Ocean University of China

Research Interests

Mid-Ocean Ridges	Hydrothermal system
Slow and ultraslow spreading ridges	Submarine volcanism
Magmatic and tectonic processes	Seismicity
Autonomous Underwater Vehicle (AUV)	Numerical modelling
High-resolution bathymetry	Geographic Information System (GIS)

Publications

2024

Invited Presentations

2024.06	MGF online
2023.11	Interridge-France workshop
2023.08	Academic seminar of Chinese students and scholars in Germany-France-Ireland
2022.06	Second Institute of Oceanography, MNR
2021.09	Southern University of Science and Technology
2021.06	Institut de Physique du Globe de Paris, Université Paris Cité

Sea-going Experience

Pourquoi Pas? Momarsat19 at Mid-Atlantic Ridge, June 10-July 4, 2019
XueLong icebreaker, Trial in the Pacific Ocean, July 7-14, 2017

Funding

2018.09-2021.10 China Scholarship Council (CSC)

Supervising and mentoring

Daixin Su Master student (2022.01-2022.12, Second Institute of Oceanography)

Relevant Skills & Others

Computer Skills: GMT, Global Mapper, MATLAB, ArcGIS, Bash shell, Python, SEISAN, Cloud computation, Obspy, Seismic Unix

Language: English (fluent), French (beginner), and Chinese (native)

Hobby: Chinese Kungfu - Meihuazhuang
